Commissioner for Patents

The reply filed on 10 July 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Specifically, Examiner finds that Applicant only argues the rejection under 35 U.S.C. 112(2), and does not address the prior Office Action dated 13 April 2006 in its entirety. Applicant submission that the claims, as clarified, distinguish Archarya for "substantially" the reasons stated in the previous response is insufficient, as the term substantially implies that Applicant believes other arguments exist, which arguments Examiner is unaware of, as they have not yet been addressed. Additionally, Applicant by their amendment, has attempted to clarify terminology for purposes of the rejection under 35 U.S.C. 112(2), but Applicant has made no arguments distinguishing the prior art against the claims as amended/clarified. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a)
